Introduction: This is the 4th running of the Sydney HP Service Open that we hope will continue to grow and rival the largest Sydney MSD event, the Sydney Cup. This International course is the largest across the course event in the world for both the service and match rifle shooter. Every rifle enthusiast should not miss this event – something for everybody.

7.30am sign on. Please ensure you sign in at the SSAA range office prior to entering range & handling firearms.
PROCEED DIRECTLY TO THE SERVICE RANGE.

Day Outline: This event is shot on a range with a pits target system. Shooters will be broken up into details. During matches, one detail will be shooting while another will be scoring. Remaining details will be operating the targets in the pits and targets plus spotting shots and assisting where ever possible. Everybody will be required to “do their bit”.

Rifle Specification/Classes: Note: ALL rifles, of any spec, must have an operating magazine. Rifles are forwards compatible, i.e. Spec 1 can be used in Spec 3 etc. This discipline has something for everybody.

Spec 1: Service - Standard - Any issued iron sights service rifle in original condition – zero modifications.

Spec 2: Service/Sporter - Modified service rifle, or sporter rifle fitted with iron sights.

Spec 3: Match - Any commercial, custom or service rifle, of any calibre, with iron sights.

Spec 5: Service/Match – As per Specs 1, 2, or 3 but fitted with optical sights.

Note – order matches to be shot may not be decided until the meet day – pending other range bookings.
