IMC & TMC GRAND PRIX SERIES (GP) DETAILS

There are many sanctioned matches run over a year. There are 2 GP Championships for 2010. Each GP aggregate is based on your best 3 IMC or best 3 TMC results from any of the Grand Prix rounds sanctioned by AIHPA listed below. The series aggregate works on the basis that shooters attend as many shoots possible and your best results from the prescribed number of rounds count to the aggregate (drop the worst results).

Note: The IMC series runs for all rifle specs - shooters may contest more than 1 spec. The TMC is Open spec.
